

## Objective:

The objective of the programme is to provide a unique opportunity for all participants to get acquainted with advanced experimental techniques having application in various fields of science as well as obtain hands-on experience with some of the newest technologies available.

## Speakers

- Prof. Alika Khare, Department of Physics, IIT Guwahati
- Prof. Pratima Agarwal, Department of Physics, IIT Guwahati.
- Dr. Manab Jyoti Bordoloi, S. P. Scientist, CSTD, CSIR-NEIST, Jorhat
- Dr. Lakshi Saikia, Senior Scientist, Adv. Materials Group, CSIR-NEIST, Jorhat
- Dr. Pabitra Nath, Department of Physics, Tezpur University

## Registration details

Interested Faculty, Scientists, Research Scholars, Postgraduate and Undergraduate students from all Science Departments who intend to acquire knowledge on the advanced experimental techniques can apply for this programme.

*The number of participants will be restricted to 60.*

*Registration to the workshop will be on 'First-come-First-serve' basis.*

## IMPORTANT DATES

Last date of receiving application through email: **19/05/2019**

Date of intimation of confirmation:

**22/05/2019**

## REGISTRATION FEES

- Faculty Rs. 1000/-
- Students/Research scholars Rs. 500/-

Registrations fees will include Registration kit, working lunch and tea. No accommodation and TA/DA will be provided

## Chief Patron

*Prof. Ranjit Tamuli*  
*Vice Chancellor, Dibrugarh University*

## Patron

*Prof. Pramathesh Bhattacharyya*  
*Director, DUIET, Dibrugarh University*

## Coordinators

*Dr. Purabi Gogoi*  
*(+919085226601)*  
[purabigogoi@dibru.ac.in](mailto:purabigogoi@dibru.ac.in)  
*Assistant Professor*  
*Dept. of Engg. Physics, DUIET, DU*

*Dr. Gitalee Sharma*  
*(+918011230081)*  
[gitaleesharma@dibru.ac.in](mailto:gitaleesharma@dibru.ac.in)  
*Assistant Professor*  
*Dept. of Engg. Chemistry, DUIET, DU*

## Co-Coordinator

*Ms. Barsha Dutta Kakoty*  
*(+91-9435533077)*  
[barsha@dibru.ac.in](mailto:barsha@dibru.ac.in)  
*Assistant Professor*  
*Dept. of Engg. Physics, DUIET, DU*

**TEQIP-3**  
Technical Education Quality Improvement Programme

One-Week Short Term Training  
Programme

on

*Advanced Experimental Techniques*  
*(AET)*

**28<sup>th</sup> May 2019 to 1<sup>st</sup> June 2019**

**Venue: Indira Miri Conference Hall,  
Dibrugarh University**

**Organized by**

**Dibrugarh University Institute of  
Engineering & Technology (DUIET)**

Registration fee is to be paid on cash on 28<sup>th</sup> May at the Registration Desk. The confirmation of participation is to be made through an application in the email id: [aetteqip@gmail.com](mailto:aetteqip@gmail.com)
