

Advertisement for walk-in interview of JRF positions under ISRO RESPOND project

Applications are invited for two positions of Junior Research Fellow (JRF) in the Department of Physics and Centre for Atmospheric Studies under the project titled “Observational and modeling study of the Equatorial Ionization Anomaly (EIA) along 95°E meridian” sponsored by the Indian Space Research Organization (ISRO), Department of Space under its RESPOND programme for a period of nine months.

Number of posts: 2 (two)

Qualification:

Essential:

1. Masters degree in Physics with First Class or equivalent CGPA
2. NET/GATE qualification or equivalent national level test qualification
3. Maximum age: 28 years or below on the date of application.

Desirable:

1. Optional paper/experience in Space Physics will be given preference

Tentative Date of Interview: 08 July, 2022

(Confirmed date will be published in the website www.dibru.ac.in).

Venue: Department of Physics & Centre for Atmospheric Science, Dibrugarh University.

Applications with recent bio-data can be sent to bitapkalita@dibru.ac.in (PI) and pkbhuyan@gmail.com (CO-PI). The selection would be done on the basis of academic records and interview conducted in Dibrugarh University (*TA/DA would not be provided*).

Dr.Bitap Raj Kalita

Principle Investigator

Department of Physics and Center for Atmospheric Studies,

Dibrugarh University
