

Awareness Generation Programme organized by the Department of Economics, Dibrugarh University

The Department of Economics, Dibrugarh University organized an Awareness Generation Programme on the topic "Economics: Scope and Possibilities" in the Jengraimukh College, Mujuli, Assam on 13/10/2023. The programme was designed to familiarize students in class XI and XII with the subject's scope and possibilities with a special focus on potential career paths. Around 80 students from the college were in attendance when Dr. Daisy Konwar and Sunny Shreya Dutta, Assistant Professors in the Department of Economics, Dibrugarh University, delivered lectures and engaged in deliberation and conversation with those present.
