DST- PURSE SPONSORED
**ONE-DAY TRAINING WORKSHOP
FOR SECONDARY SCHOOL
SCIENCE TEACHERS**

4th December, 2023
Organised by : Dibrugarh University

ABOUT THE WORKSHOP

Teachers are an important stake holder of the education system and empowering them with the right skills and tools can lead to a transformative change. Capacity building of teachers through professional development programmes is obligatory to suit specific needs of teachers at various levels. Approaches such as inquiry, research and activity-based pedagogy enables to identify tools that can be adapted to suit age-group, language and socio-economic background of students. This one-day workshop is part of social responsibility outreach activities of the university designed as prologue module to develop and disseminate teaching methods that help students imbibe the process of science instead of just information. This program will strive to provide a platform for Secondary school teachers to meet their peers, form professional networks and exchange ideas & challenges in teaching and education.
