

## Earth Day Celebration- 2024

### Theme – Planet vs Plastic

The 2nd and 4th semester students of the Centre for Studies in Geography, Dibrugarh University, celebrated Earth Day on 22<sup>nd</sup> April by undertaking a commendable initiative to clean up plastic waste around the Dibrugarh University campus. The students diligently worked to remove plastic litter from various areas, including walkways, gardens, and recreational spots. They also conducted plantation drive inside the university campus. By working together on Earth Day, they exemplified the power of collective action in creating a cleaner, healthier environment for present and future generations.
