ACADEMIC INTERFACES WITH THE COLLEGES AFFILIATED TO DIBRUGARH UNIVERSITY

A SPECIAL EVENT OF DIAMOND JUBILEE CELEBRATION (1965-2025)

CONCEPT NOTE

In the dynamic realm of higher education, universities and their affiliated colleges are pivotal in delivering quality education and promoting academic excellence. To strengthen the collaboration between universities and their affiliated institutions, it is vital to establish a structured academic interface that aligns educational goals, standards, and practices.

As part of Dibrugarh University's diamond jubilee celebration, a series of academic interfaces has been designed with the overarching aim of fostering dialogue and idea exchange between the university and its affiliated colleges. This initiative seeks to achieve educational excellence and support collaborative growth. By focusing on curriculum standardisation, quality assurance, faculty development, student support, and research collaboration, these interfaces will enhance the overall educational experience and contribute to the advancement of higher education in the region.
