

Two-Day Workshop on Use of Generative AI in Research and Academic Writing Held at Dibrugarh University on 20th and 21st of September 2024

The Internal Quality Assurance Cell (IQAC) of Dibrugarh University successfully organized a two-day workshop on "The Use of Generative AI in Research and Academic Writing" on the 20th and 21st of September 2024. Dr. Ramesh Chander Sharma, Former Regional Director of IGNOU, New Delhi, served as the esteemed resource person for the event. The workshop saw enthusiastic participation from 90 attendees, including faculty members and research scholars from various departments and centres of the university. The Hon'ble Vice-Chancellor of Dibrugarh University inaugurated the event, delivering an insightful address that emphasized the growing significance of AI technologies in academia, research, and professional writing. He underscored the workshop's relevance in equipping researchers with tools and knowledge that can enhance productivity and innovation in academic work. The workshop marked a significant step toward integrating advanced AI technologies into academic and research frameworks, reinforcing Dibrugarh University's commitment to embracing technological advancements for academic excellence.
